

THE COUNTRY CLUB OF VIRGINIA

Preferred Vendors List

This curated list of event professionals has met & surpassed the expectations of CCV and our hosts. *The Club requires the use of a professional event planner selected from the list below for all weddings that include a ceremony held on-site.* If tenting is desired for your event, we exclusively partner with the tenting companies below. Please note any vendors outside of this list will **require written approval from the Special Events Office prior to contracting.**
